WORK EXPERIENCE

Frontend Developer - RTM (Raqamli Texnalogiylar Markazi)

2021 - September 2024

- Developed and maintained front-end applications using React.js and Next.js.
- Gained extensive experience in building responsive and scalable web interfaces.
- Collaborated with backend teams to integrate APIs and improve application performance.

Freelance Full Stack Developer - Self-Employed

September 2024 - Present

- Working on various projects on platforms like Upwork, delivering custom web solutions.
- Utilizing full stack JavaScript skills to build end-to-end applications.

PROJECTS

Pharm Logistic

Pharm Logistic is an online platform that connects customers in Uzbekistan with certified pharmaceutical products from international suppliers. The website provides a clear product catalog, transparent ordering process, and ensures delivery of authentic medicines directly to the country. (Next.JS, TypeScript, Tailwind CSS)
